Dear Parents

Monday 30<sup>th</sup> January 2017

### **The Isle of Wight Experience 2017**

***Monday 25<sup>th</sup> September – Friday 29<sup>th</sup> September 2017***

We are pleased to confirm that the Year 6 residential visit for 2017 will be in the Isle of Wight once again! The cost of the visit will be in the region of £320 per child, based on all children currently in Year 5 attending. The cost includes full board accommodation from the first evening meal to the packed lunch on the day of departure, all transport costs on the IOW, ferry and all entrance and activity fees. However, if some children choose not to take part in the trip then some prices eg, coach may increase for other children. **Transport to the ferry in Lymington is included but to keep the cost at around £320 we are asking parents to collect their child from Southampton ferry port on the Friday afternoon.** We will be in a position to confirm a final price in March when we will have all of the costings and know the total number of children going on the trip.

Accommodation will be at the Allnatt East Dene Centre, a residential outdoor learning and activity centre set in 10 acres of woodland, gardens and play areas. East Dene is a spectacular historic Grade 2 listed mansion house with adjoining coach house overlooking the sea within easy reach of Sandown, Shanklin and Ventnor.

At this stage we require a non-refundable deposit of £45 by **Monday 13<sup>th</sup> February**. There will be an option to spread the remaining cost over six months commencing in March, or alternatively you can pay the balance in one lump sum. A suggested payment plan will be sent out shortly.

Please complete and return the attached slip by **Monday 13<sup>th</sup> February** so that we can make the appropriate bookings and confirm the final cost. If you have any questions you need to ask before making a decision regarding payment etc please contact the school. There will be a meeting for parents early in September but in the meantime a brief outline of our itinerary can be found overleaf.

The value educationally and socially of residential school journeys cannot be over emphasised.

Yours sincerely
