

Book Day

18th March 2015

What a fantastic turn out to celebrate World Book day and the start of our book fair. Using the books of Julia Donaldson as a theme we had mice, Gruffulos, Wizards, Witches, Princesses, Pirates, Snakes, Little Ladies, Little Old men, Ladybirds, Foxes, Stick Men, the list was endless. In the afternoon the teachers had a 'read off' and spent time in each Year group reading their favourite stories that they heard as a child. This was great fun and a real chance for the teachers to spend some quality time interacting with different ages and pupils. The Scolastics Book Fair was a great success to raising lots of money for new books for the library. What theme will we have next year!
