Queen's Birthday Celebrations!

A fantastic celebration for the whole school, family and friends for the Queen's birthday. Tea and cake was enjoyed by all to celebrate the Queen in her many roles as our long reigning monarch. We finished our celebrations with a rousing rendition of God Save the Queen and Happy Birthday!

In assembly we discussed the different roles of the Queen and how influential she is across many elements of our society. The Junior Leaders ran a competition to design a new £1 coin to celebrate this important year. Congratulations to Ariane in Year 4 who created a beautiful design and won a special commemorative coin.

Thank you for all who
contributed to our celebrations!
