

Medieval Archer Visit

Year 5 were lucky enough to have a visit from Alan Green of Beaulieu Bowmen, who came dressed as a medieval archer.

The children learned how different war and weaponry were in the medieval world. They found out about the laws of the time and how the people were affected by decisions of the King.

Year 5 really enjoyed exploring the artefacts and comparing the society of the

medieval world to that of today.

They thought about the decisions made by King Henry V and made their own judgements about his decisions thinking about whether he was right or wrong.
