

Y3 and Y4 Children's Concert

29 January 2015

Wellow
Primary School

Year 3 and Year 4 pupils enjoyed attending the Children's Concert at Southampton Central Hall. The orchestra played a wide variety of classical music pieces and the children were introduced to all the different instruments of the orchestra. Some children were lucky enough to be chosen to conduct the orchestra and play percussion instruments. The children really enjoyed the opportunity to appreciate live classical music and see instruments that they can learn at school perform in a large orchestra.

"I loved the music" (Francine)
