

# Perform Workshop Year 1

*2nd June 2015*

**Wellow**  
Primary School

On Tuesday 2nd June we had a special introduction to our new topic TOYS!

We were very excited because we pretended to be toys in a toy shop and acted out what happened when the adults were away—the toys came to life!

There was a funny character called Mrs Wigglebottom! When she left the shop we ate her cake...

We also sat in a circle and passed round a pretend toy—we pretended to cuddle a teddy and BRRRUM round a toy car.

Finally we found a dusty old box in the loft, it was filled with Old Toys! We played with and explored the old toys and had a wonderful time.
