

Registration of Interest in Pre-School

As you may know, Wellow School are actively seeking to create a pre-school (for children who have had their 2nd birthday) within the school. There are many decisions still to be made, and the project is still largely dependent on a grant application being successful to secure funds to undertake the works needed in order to accommodate a preschool setting.

Having received many enquiries, we are keen to establish a register of interest, both in helping us to plan for numbers and also to support our grant application.
